

The swim turn-around for the Vineman events is located six-tenths of a mile upstream from the dam at Johnson's Beach. Just before reaching the turn-around point, on the left bank of the river there is a large concrete wall which is painted green (shown in this picture). The swim turn-around is located just past this green concrete wall.

Vineman Swim Courses

70.3 - 1 Loop 1.2 miles
Full Vineman - 2 Loops 2.4 miles
